

Visiting the J.Geiger Office

Our office is located in downtown Appleton in the City Center East complex:

**122 E College Ave, Suite 301
Appleton WI, 54911**

Directions:

If you are coming from Hwy. 41, Exit College Ave. and head East on College Avenue towards downtown. After about 3 miles, turn left on Morrison St.

If you are coming from Hwy. 441, Exit College Ave. and head West on College Avenue towards downtown. You will find us at the corner of College Ave and Morrison St

Parking Options:

If no parking is available on the street or your stay will exceed the 2-hour maximum allowed at the meter, the Yellow parking ramp on E Washington St. is a good option.

Finding our Office

Entrance into the City Center East building is easiest through the north entrance, right across from the parking garage. During inclement weather, there is a covered walkway on the third floor of the yellow ramp that takes you to the second floor of City Center East.

If you park on the street, the entrance into the City Center East building is either through the north entrance, right across from the yellow ramp, or through the south entrance on College Avenue.

We reside on the 3rd floor of the building and the only way to enter and exit is through the elevator. You will find the elevator on the first or second floor.

The 3rd floor typically requires secured access. Please contact the J. Geiger Consulting resource you are visiting to either call the elevator up once you've arrived or unlock the security to allow 3rd-floor access.

See You Soon!
